A MUSICAL TRIBUTE TO EARLY BEATLES

Boots and Suits is an infectious, high energy presentation of the Beatles early catalogue focusing on the timeless hits of the 1962-1966 Beatles Era...

Who doesn't love "Something" or "I am the Walrus" but a party needs music to keep the energy going and Boots and Suits is a note-perfect recreation of the best early Beatles music, focusing on the high energy, danceable early hits...

Not only does Boots and Suits deliver the high energy music of the early Beatles, but their sets are peppered with entertaining stories and humorous anecdotes as they invite the audience to clap and sing along to keep the party going and keep them on the dance floor.
